Joe:

I just returned from vacation and found your gift of a flash drive. I want you to know that I do appreciate this and agree that these are indispensable accessories. It will be used, I assure you.

I also want to tell you that we have always been impressed with the knowledgeable professional services you and the Monrad team provide to us on our projects. We look forward to working together on future successful projects.

Thanks again for the flash drive.

Sincerely,
